the beloved heroine of amazing grace is back in her first new picture book in more than a decade grace hopes to be selected as a princess in the town parade and asks her teacher for help in dressing the part

o neill s original grace provides a fresh analysis of biblical texts and explores the rich tradition and development of marian devotion liturgical prayer artwork and dogma it invites the reader to discover how our capacity for biblical and theological understanding matures over time correcting our perception of mary the second eve and the mother of jesus the christ and of the place and role of women in church and society this exhilarating book reveals the benefit that courageous questioning can bring to the church s self understanding and to the vital relationships between women and men in it we gently discover that a wise and good god is our creator affirming us in our gendered humanity still slowly teaching us what went on in eden in nazareth and on calvary

the oxford handbook of mary offers an interdisciplinary guide to marian studies including chapters on textual literary and media analysis theology church history art history studies on devotion in a variety of forms cultural history folk tradition gender analysis apparitions and apocalypticism featuring contributions from a distinguished group of international scholars the handbook looks at both eastern and western perspectives and attempts to correct imbalance in previous books on mary towards the west the volume also considers mary in islam and pilgrimages shared by christian muslim and jewish adherents while mary can be a source of theological disagreement this authoritative collection shows mary s rich potential for inter faith and inter denominational dialogue and shared experience it covers a diverse number of topics that show how mary and mariology are articulated within ecclesiastical contexts but also on their margins in popular devotion newly commissioned essays describe some of the central ideas of christian marian thought while also challenging popularly held notions this invaluable reference for students and scholars illustrates the current state of play in marian studies as it is done

across the world

have you ever wondered about mary jesus mother is she important beyond having given birth to christ is there more to her relationship to jesus than simply being his biological mother if you have wondered what mary is all about then you will be interested in what this book has to tell you about her it is a theological and scriptural reflection on mary as we find her in the biblical record and will help the protestant reader understand mary in her relation to christ according to the ancient wisdom and profound richness of the catholic tradition about mary the mother of god

adrienne von speyr was a convert to catholicism a medical doctor wife mystic and author of some 70 books on spirituality in this profound work on our lady von speyr explores mary s participation with christ in our redemption and the unique relationship that each of us should have with our spiritual mother

the mariology of the 20th century got a decisive stimulus by the movement for the dogmatic definition of mary s social function as mediatrix of all graces gloria falcão dodd gives a synthetic historical overview of the development from 1896 until the proclamation of the marian chapter of lumen gentium in 1964 she also analyzes the theological arguments for and against the dogmatic definition her very useful work is indispensable for anyone who wants to receive the most recent basic information about the most disputed topic of modern mariology rev dr manfred hauke
